

## Statewide Communication Policy

Each local chapter is encouraged to have NABIP send two statewide emails for larger events the chapter may have.

NABIP will provide each local chapter the opportunity to list events in our monthly membership communication to statewide membership via the newsletter. This will be the responsibility of the local chapter to supply this information timely.

All statewide communication will be sent by Executive Director of the state board and the locals will not send to statewide list.

The NABIP State Board has the right to change this policy, based circumstance.
